

# 2018 – 2019 State of the School

Presented on August 15, 2018

## SONDH Vision

- To be the leader in nursing and dental hygiene education and research in Hawaii with outreach to Asia and the Pacific Basin

## SONDH Mission

- Provide an innovative, caring and multicultural environment in which faculty, students and staff work together to generate and transmit knowledge, wisdom and values to promote quality of life and health for present and future generations. To better reflect Hawaii's unique cultural diversity and heritage, SONDH is committed to increasing the representation of Native Hawaiian and other underserved people in all nursing and dental hygiene programs.
