

# Donors Advance Nursing to Transform Healthcare, 2014 Honor Roll of Donors

Mahalo to our generous alumni, faculty, and friends for your invaluable support of UH Manoa Nursing. In today's rapidly changing healthcare environment, your investment helps us improve nursing education by staying on top of new and emerging healthcare trends. With your help, we are able to continuously increase and build our educational capacity by teaching new models of care that focuses on the specialized needs of our island community.

Your generosity and support in 2014, has been especially inspiring! Last year, UH Manoa Nursing donors gifted more than twice as much as the previous year, with more than \$1,615,633 in private support to expand graduate student programs, invest

in state-of-the-art simulation education technologies, and support specialized nursing initiatives. Your personal commitment to help us improve the quality and breadth of our programs keeps us continuously striving for excellence. We are truly grateful and honored by your support.
