

Hawaii Keiki Recruits for 8 APRN Positions on Oahu, Maui and Hawaii Island

MAKE A DIFFERENCE FOR HAWAII STUDENTS

Hawaii Keiki is a partnership between UH Manoa Nursing and the Hawaii Department of Education (DOE) and sits at the intersection of education and health to support the DOE to achieve student, school, and system success.

The program enhances and builds school based health services that screen for treatable health conditions; provide referral to primary health care and patient centered medical home services; prevent and control

communicable disease and other health problems; and provide emergency care for illness or injury.

Recruitment for Eight Full-Time Positions:

- **(8) Advance Practice Nurses (APRN)**
 - **Oahu** (Kaimuki-McKinley-Roosevelt, Aiea-Moanalua-Radford, Leilehua-Mililani-Waialua, Campbell-Kapolei)
 - **Maui** (Hana-Lahainaluna-Lanai-Molokai, Baldwin-Kekaulike-Maui)
 - **Hawaii Island** (Honokaa-Kealahou-Kohala-Konawaena,

Hilo-Waiakea)

Seeking eight APRN's with effective interpersonal skills and positive relationship building experience. Must be a team player with effective verbal and written communication skills. Knowledge of the changing healthcare system and electronic documentation is required. See job postings for more details and school locations.

Employee Benefits Include: Medical, dental, vision, prescription, pension plan, flex spending plan and more!
