Nursing — Bachelor’s Degree Overview

The bachelor of science degree prepares beginning-level generalist professional nurses to deliver care to individuals in a variety of health-care settings, meet the state requirements for eligibility to take the National Council Licensure Examination — Registered Nurse (NCLEX-RN), and obtain a sound basis for graduate study in nursing.

Events for Prospective Students

Potential applicants to the program are highly encouraged to attend an open house event or an informational session. Please see the event calendar on the homepage for the upcoming events.
