

Pacific Regional Medical Command

The Cooperative Research Partnership between the Pacific Regional Medical Command (PRMC) and UH Manoa Nursing is to support the conduct of research at PRMC that will lead to improved health outcomes, quality of life, quality of care, and healthcare policy for military beneficiaries. The PRMC and UHM Nursing encourages nursing research in the PRMC by providing a milieu for the conduct of research in a military medical center that provides tertiary care to 436,000 beneficiaries.
