

Are you a BS RN waiting to be hired as an RN??
Would you like to refresh your professional nursing skills??

- ✓ Sharpen Critical Thinking
- ✓ Practice Clinical Decision-making
- ✓ Hands-on Learning with ACLS Certification
- ✓ Improve Competence & Confidence

UH Mānoa Nursing is offering an immersive, simulation based, 8-week program for the BS RN who is not employed as an RN. The course focuses on application of assessment skills, diagnostic reasoning, role development, and clinical decision making to manage complex health problems.

Program Highlights:

Simulated Crisis Resource Management, Clinical Skill Refresher, Interprofessional Communication, ACLS Certification, Mock Job Interviews

Who Should Take This Course:

BS prepared RNs seeking to review and update their knowledge and skills to ensure clinical competency and critical thinking skills. This course provides 3 academic credits that can be applied to a master's degree. It does not require admission to the graduate program. **Eligibility Requirements:** Applicants must have a bachelor of science in nursing and possess a current Hawaii RN license.

Course Dates, Times, and Credits:

Term Dates: June 5 – July 26, 2013. Days/Times: Wednesdays, 8 am – 8pm and four (4) hours facilitated practice on Tuesday or Thursday from 6/5/13 – 7/23/13. ACLS Certification from 7/24-7/26/13. NURS 615, Clinical Skills & Procedures for Advanced Practice Nursing, Section 342, CRN # 4337, 3 credits. Course Faculty: Kevin Matsumoto, RN, MS, and Lorrie Wong, PhD, RN.

Cost:

Graduate nursing tuition cost for residents is \$2,289 (\$763/per cr.); non-residents is \$4,359 (\$1,453/per cr). Additional cost of approximately \$200 for ACLS Training Manual & Certification. Tuition info at:
